BACK IN PERSON!

Diamond Awards

CELEBRATING PHILANTHROPY
AND BASEBALL IN MINNESOTA

JANUARY 26, 2023

RENAISSANCE DEPOT
MINNEAPOLIS
The Minnesota Twins, the Twin Cities Chapter of the Baseball Writers’ Association of America, and the University of Minnesota Foundation are excited to welcome you for an evening to celebrate baseball, philanthropy, and the 2022 Diamond Award winners.

Join us for the 18TH ANNUAL DIAMOND AWARDS

This event celebrates the MN Twins award recipients, engages our guests, and raises funds for innovative research and patient care for brain, nerve, and muscle disorders at the University of Minnesota. This year, join us in-person at the Renaissance Depot, Minneapolis for a very special night. This event will be filled with awards, stories and an incredible silent auction packed with sports memorabilia, experiences and more.

Devastating disorders of the brain, nerves, and muscles—such as Ataxia, ALS (Amyotrophic lateral sclerosis), Multiple Sclerosis, Muscular Dystrophy, Parkinson’s disease—can strike with or without warning or hereditary connections.

Your sponsorships fuels our event and University of Minnesota research, providing physicians and scientists with the resources to discover the best ways to treat and even cure these debilitating diseases, which together affect vast numbers of people.

Proceeds from Diamond Awards help the innovative research and patient care for brain, nerve, and muscle disorders at the University of Minnesota. Your support helps give families who are affected by neurological disease hope that someday soon we will find a cure.

To learn more about the important cause behind this event, please visit our website diamondawards.umn.edu to learn more about the history of Twins legend Bob Allison and his battle with Ataxia.
